

2023 | FALL ISSUE

NEWSLETTER

Epilepsy Foundation of Southeast Tennessee

What's Happening?

This season starts off with the beginning of Studio-E at the Hart Gallery, Coffee and Conversations, and Top Golf Drive for Epilepsy! We are also starting to plan for the rest of our events, like the Chattanooga Red Wolves Game, Chattanooga Walk for Epilepsy, our Holiday Party and the 16th Annual Chocolate Fling! Buckle up, it will all be happening before we know it!

We couldn't make our programs or events possible if it weren't for supporters like you. Thank you for continuing to stand with us in the fight against epilepsy and for never missing the chance to celebrate and support one another!

Donate now to help fund our programs, services and education!

A Special Thank You: Elite Under 30

The Epilepsy Foundation of Southeast Tennessee is immensely grateful for the generous work of our Elite Under 30 members in creating a remarkable fundraising campaign for the Epilepsy Foundation raising over \$5,700! We appreciate our Lead Elite, Seth Charest, for raising the most money!

We commend the Elite Under 30 members and the contributors for accelerating the mission of the Epilepsy Foundation of Southeast Tennessee. Their participation in our program and event helped us raise awareness for epilepsy and provided vital resources for those in the epilepsy community. Thank you for being an active and valuable member in our fight against epilepsy!

Strike-Out Epilepsy

Another great game and evening went down in the books this summer and it was a BLAST! Thank you all to all our friends and community who made it out to celebrate one another! We had an exceptional time at AT&T Field educating others about epilepsy, being with each other and simply enjoying a beautiful day for baseball!

Our sincere appreciation extends to our committed and supportive sponsors at Strike-Out Epilepsy: Neurelis, UCB, Sunovion, SK Life Science, Jazz Pharmaceuticals, LivaNova VNS Therapy, Pedego Electric Bikes, and Chatt Taste.

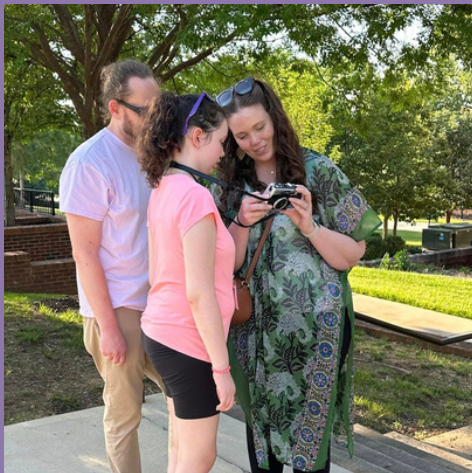

Lastly, we would like to thank the Lookouts Team and Staff for their unwavering support and assistance in making this experience enjoyable. Thank you for your hospitality!

SnapChatt Photography Program

We had a blast exploring the world of digital photography, from shutter speeds to lighting techniques and beyond. Each student brought their own unique creativity to the table, and we were thrilled to see the development of everyone's individual style. Your participation made it all possible, and we are immensely grateful. We can't wait to see what exciting adventures come our way next!

If your child or teen is interested in becoming a part of SnapChatt in the future, reach out to Angela Mininger-Ficca at: amininger@epilepsy-setn.org.

Top Golf Drive for Epilepsy

We had a fantastic time teeing off at our latest event. With Top Golf's excellent staff serving delicious food, we enjoyed some friendly competition and made new friends while catching up with old ones. We're excited to share this experience with our clients and supporters for years to come. We're grateful to our donors who help fuel our programs that allow those with epilepsy to thrive. Thank you for being a part of it all, and we can't wait to see you at our next event!

A special thank you to our Top Golf Sponsors: Neurelis, UCB, Jazz Pharmaceuticals and Sunovion.

Helmet Program and First Aid Training

For those that are not familiar, our Seizure Prevention Helmet Program is designed to prevent seizures beginning with those at a young age. By prioritizing safety and wearing helmets, people can minimize their risk of developing epilepsy, which affects 1 in 10 people with traumatic brain injuries. We're proud to announce that our outreach for first-aid and seizure prevention education is reaching more people than ever before, thanks to our dedicated volunteers. Together, we have distributed over 1,000 helmets to the community last year and we plan to double that number this year! If you're interested in receiving seizure response training and education for your school, staff, or family, please contact Victoria Norwood at vnorwood@epilepsy-setn.org or call 423-380-8545.
