

SOUTHEAST
TENNESSEE

We are thrilled to invite you to support the 2025 Chattanooga Walk for Epilepsy, taking place on Saturday, November 8, 2025, from 9:30am to 1pm at Tennessee Riverpark. This inspiring event brings together families, friends, and advocates to walk in honor of those impacted by epilepsy and to raise awareness across Southeast Tennessee and Northwest Georgia. Together, we'll shine a light on epilepsy and celebrate the strength of those living with it every day.

Did you know that 1 in 26 Americans will develop epilepsy in their lifetime? That's why your support matters more than ever. The Epilepsy Foundation of Southeast Tennessee provides free resources and support to individuals and families across 14 counties in Tennessee and Northwest Georgia, including:

- Advocacy & case management
- Art therapy & support groups
- Community education & helmet awareness initiatives
- Seizure recognition & first-aid training
- Transportation, prescription & neurology assistance

We recognize that a diagnosis of epilepsy is life-changing, and our mission is to improve the lives of those affected by epilepsy through education, advocacy, research and connection. A new diagnosis can be overwhelming—but with your help, we can turn fear into empowerment. The Epilepsy

Foundation of Southeast Tennessee needs the support of community-minded organizations, such as yours, to fulfill our mission and goals. Please see the attached sponsorship levels for more details about what's included in your sponsorship. We would be honored to partner with you for this meaningful event and deeply appreciate your consideration.

Thank you in advance for your generosity!

Sincerely,

A handwritten signature in black ink that reads "Lee Grisham".
